As of 05/18/16

All Metropolitan Teams need to include this in the meet information packet as well as file this form with Safety in Sport Coordinator, prior to the start of the meet.

Policy: Any photographer or videographer, who intends to take pictures at a Metropolitan Swimming sanctioned meet, must complete and submit a Photographer Registration Form to the Meet Director before commencing activity. Forms are available on the Metropolitan Swimming website as well as from the Meet Director.

Swimmer's families, taking photos of their children from the spectator area, are not subject to this policy.

Notes:

The above policy will be published in meet announcements and programs.

It is the Meet Director's responsibility to have forms available at the meet.

The Meet Director should check the actual ID against entry on form, and keep a file of submitted forms.

The intent is to promote accountability and to give Meet Directors and Referees a tool for managing concerns about photographers. Teams should consider providing a lanyard indicating that the photographer is registered.
