My name is Trevor Griffin, I'm part of Long Island Express. I am a USA registered athlete and I agree to the requirements as a Metropolitan Junior Athlete Representative.

A paragraph explaining your background and why you would like to be the Metropolitan Junior Athlete Representative:

I've always loved being apart of METRO as a whole. When I was young it was my dream to make it on the zone team. Having the bag and wearing the clothes made me feel like I was apart of something. After swimming one winter short course and two long course Zones, my mind on how I feel about METRO hasn't changed. I would like to be a Metropolitan Junior Athlete Representative because I want to help out the organization I love so ever dearly. I've loved the Zone meets to our regular meets during our long season. I want to be part of METRO and lead one zone meet to a victory. When I went for 2017 summer zones watching the metro rep's help out and lead our team to victory was admirable and I want to do the same.

Please identify what you can contribute to the position and something you would like to create or improve on in Metropolitan Swimming while serving your term.

I feel like I can contribute to the position because I'm willing to do whatever it takes to make METRO even better than it already is. One thing I would like to create on METRO would be a get together of all the teams for one big party at the end of our long and amazing seasons. A celebration to congratulate our swimmers for their hard work and dedication. I am willing to do all the tasks I will be asked to complete without any problem whatsoever.
